**FOR YOUR PROTECTION**

New Zealand legislation provides limited coverage for personal injury. Backpacker strongly recommends that all people travelling in New Zealand take out personal travel insurance.

All vehicles are insured for the damage to the vehicle or to the property of a Third Party. The hirer if greater than 21 years of age is responsible for the first NZ\$1,000 ("the excess") for rental cars of the cost of damage to Third Party property or to the rented vehicle, including windscreen and tyre damage, towing and recovery costs, theft, fire, break-in or vandalism with the exception of the 'exclusions'. This also includes the cost of the daily rental for the period the vehicle is off fleet for accident repairs.

In the event of a single vehicle accident and where the hirer is greater than 21 years of age the hirer is responsible for the first NZ\$2,500 ("the excess") for rental cars of the cost of damage to Third Party property or to the rented vehicle.

The hirer if between 18-20 years of age is responsible for the first NZ\$2,000 ("the excess") for rental cars of the cost of damage to Third Party property or to the rented vehicle, including windscreen and tyre damage, towing and recovery costs, theft, fire, break-in or vandalism with the exception of the 'exclusions'. This also includes the cost of the daily rental for the period the vehicle is off fleet for accident repairs.

In the event of a single vehicle accident and where the hirer is between 18-20 years of age the hirer is responsible for the first NZ\$3,500 ("the excess") for rental cars of the cost of damage to Third Party property or to the rented vehicle.

**Please see the 'Exclusions' section below, whereby all insurance cover will be made void.**

The excess is applicable regardless of who is at fault and must be paid at the time the accident report is completed, not at the completion of the rental. The excess will be refunded if Backpacker is successful in recovering the cost of the damages from the Third Party. Please note that Third Party claims can take months to resolve.

The excess applies in respect of each claim, not rental.

The excess can be reduced, in most circumstances, by the purchase of the Excess Reduction Options.

**Excess Reduction Option 1**

When Excess Reduction 1 is nominated by the hirer and the hirer is aged between 18-20 years the hirer is responsible for the first NZ\$1,000 of ANY ACCIDENT COST of damage to third party property or to the rented vehicle, including towing and recovery costs, theft, fire, break in or vandalism. This also includes the cost of the daily rental rate for the period the vehicle is off fleet for accident repairs. The excess applies in respect of each claim, not rental.

If an 18-20 year old driver and a 21+ year old driver hire a vehicle together and both are driving the 18-20 year old excess and bond requirements apply.

In the event of a single vehicle accident and where the hirer is greater than 21 years of age the hirer is responsible for the first NZ\$2,500 ("the excess") for rental cars of the cost of damage to Third Party property or to the rented vehicle.

In the event of a single vehicle accident and where the hirer is between 18-20 years of age the hirer is responsible for the first NZ\$3,500 ("the excess") for rental cars of the cost of damage to Third Party property or to the rented vehicle.

**Excess Reduction Option 2**

<b>21+ year old drivers</b>
NZ\$14 per day (maximum NZ\$420 per rental) Excess reduced to <b>Nil</b>
<b>18 – 20 year old drivers</b>
NZ\$20 per day (maximum NZ\$600 per rental) Excess reduced to <b>NZ\$250</b>

When Excess Reduction is nominated by the hirer and the hirer is 21+ years of age, the hirer will not have to pay any excess at all for any damage to the vehicle or property of a Third Party with the exception of the 'exclusions'.

When Excess Reduction is nominated by the hirer and the hirer is aged between 18-20 years the hirer is responsible for the first NZ\$250 of ANY ACCIDENT COST of damage to third party property or to the rented vehicle, including single vehicle

If an 18-20 year old driver and a 21+ year old driver hire a vehicle together and both are driving the 18-20 year old excess and bond requirements apply.

**VEHICLE SECURITY DEPOSIT**

Upon vehicle collection, a security deposit is required. The amount is determined by the Excess Reduction option selected.

For security purposes, **only a credit card** can be used to provide a vehicle security deposit. The credit card holder must be present and able to sign for the vehicle security deposit upon vehicle collection. The credit card holder is jointly and severally liable for any damage to the rental vehicle.

If an Excess Reduction Option is not selected and the hirer is 21+ years of age, the security deposit is NZ\$1,000 to be supplied by credit card.

If an Excess Reduction Option is not selected and the hirer is 18-20 years of age, the security deposit is NZ\$2,000 to be supplied by credit card.
